Music
makes the event!

Black Tie Entertainment gets the party started.

Your guests will be sure to compare future events to the great time they had at yours.

Celebrate with Flair!

You are the reason we are here.

Why not make your celebration even BETTER than you dreamed it could be by calling US! We come to you with exciting party ideas, fabulous music, and polished DJs/MCs. All of this energy and creativity is carefully refined to create an entertainment strategy just right for your event.

Our Philosophy

We try to make the most of your event's every moment without overshadowing what is really important: the purpose of the party...whether it's your wedding day, 50th anniversary, family reunion, or school formal. Prepare yourself for a wonderful evening!

Why us?

Ultimately, it is our people who make the difference. Our DJs/MCs will entertain, electrify, and energize your guests. They know how to interact in just the right way to make even your shy guests feel comfortable. No one else has our people. They are experienced professionals who make your celebration better.
